Activity: Wildlife Word Search! Find all the hidden animals!

1. Who lives here? (Circle answer)

Do you like gadgets? Do you like exploring? Try finding our 3 geocaches hidden in Grasslands National Park. Badlands! When you get to each geocache, answer the skill-testing question. Remember to take only pictures and leave only footprints so other kids can see the same neat things you get to see!

Hey kids!

Congratulations!

You found them all! Good work! Once you have found all the caches, you can bring your completed booklet back to the Visitor Reception Centre to collect a prize!

Grasslands National Park has lots of cool things for kids to do! Be sure to ask at the Visitor Reception Centre for details!
