

## Banff National Park Geocaching Activity Sheet

### Instructions:

1. Locate 3-5 caches in the park.
2. Sign the logbook inside the cache.
3. Read the "Fun Fact".
4. Answer the corresponding question on this activity sheet.
5. Put the "Fun fact" back in the box for others to read.
6. Return to the Banff Visitor Centre at 224 Banff Avenue with the activity sheet to claim your official Banff National Park Geocoin!
7. You can log your findings on [www.geoaching.com](http://www.geoaching.com)

<b>A Rare Find</b>	<b>Coordinates:</b> Decimal: 51.17667-115.63013 DDD MM.MMM: N51°10.600 W115°37.862 DDD MM SS.SSS: N51°10'36.012" W 115°37'51.708"	What is the name of the wetlands found close to the town of Banff?
<b>A Long Journey</b>	<b>Coordinates:</b> Decimal: 51.18378-115.58853 DDD MM.MMM: N51°11.027 W115°35.312 DDD MM SS.SSS: N51°11'01.608" W115°35'18.708	What is the source of the Bow River?
<b>Where is the Tunnel?</b>	<b>Coordinates:</b> Decimal: 51.17603-115.561 DDD MM.MMM: N51°10.562 W115°33.660 DDD MM SS.SSS: N51°10'33.708" W115°33'39.600"	True or False: There is a tunnel through Tunnel Mountain.
<b>Cosmic Ray Station II</b>	<b>Coordinates:</b> Decimal: 51.1490278-115.5606944 DDD MM.MMM: N51°08.94167 W115°33.64167 DDD MM SS.SSS: N51°08'56.5" W115°33'38.5"	At what altitude was the Sulphur Mountain Cosmic Ray Station?
<b>A Giant in the Forest</b>	<b>Coordinates:</b> Decimal: 51.18819 -115.5183 DDD MM.MMM: N51°11.292 W115°31.098 DDD MM SS.SSS: N51°11'17.5" W115°31'05.8"	What is the approximate age of the oldest Douglas-fir tree in Banff National Park?

### Important points on Geocaching in a national park:

- Please leave nature undisturbed by staying on marked trails.
- All Parks Canada caches are located on and are accessible directly from park trails.
- For the safety of wildlife, please do not place any trade items in the cache.
- As always in national parks: Take only pictures & leave only footsteps.
