

Riding Mountain

National Park of Canada

High School Experiences

Students and teachers both will appreciate and enjoy the natural and cultural environment of Riding Mountain National Park. Participate in a field program; enjoy the familiarity and history of the Visitor Centre on a guided tour; or immerse yourself in the senses on a guided adventure-your learning experience can be created here.

HIGH SCHOOL PROGRAMS

Program descriptions

The Grey Wolves of the RMNP Region

Interpreters lead groups of students through a lecture and field excursion in the Lake Audy area of the Park. Using a variety of media and equipment students are engaged in wolf monitoring efforts in the park; and understanding the role of these natural predators.

Explore the Park on Your Own

- Choose one of seven self-guided hiking trails in RMNP.
- Explore the Visitor Centre; take in a 30-minute orientation, do a scavenger hunt with your class or watch a video presentation.

General Information

- Program fee: \$3.90 per student.
- Students are asked to dress appropriately and be prepared for approximately 2h in the field.
- It is recommended that an adult accompany each group of 4-6 students. They will be involved in the activities acting as guides.
