Space is limited.

Bookings taken from April 1st to May 1st  
Program dates available are Mondays, Thursdays and Fridays from May 21nd to June 26th.

# Riding Mountain

National Park of Canada

## Middle Years School Experiences

Students and teachers both will appreciate and enjoy the natural and cultural environment of Riding Mountain National Park. Participate in a field program; enjoy the familiarity and history of the Visitor Centre on a guided tour; or immerse yourself in the senses on a guided adventure-your learning experience can be created here.

## MIDDLE YEARS SCHOOL EXPERIENCES

### Program Descriptions

#### Escarpment Odyssey

Students will be guided on a rugged and spectacular 6km hike down the Gorge Creek Trail - an experience not easily forgotten! Awareness and knowledge will be developed concerning the geology, history, flora and fauna of the Manitoba Escarpment in Riding Mountain National Park.  
Grades 5-8 Program length: 3 hours.  
(4 1/2 hours with travel time from Wasagaming)

#### Grassland Safari

Students use monitoring techniques to study the soil, plants, insects and animals on the prairie. They will explore the diversity of the remnant grasslands of Riding Mountain National Park and understand the endangered status of grasslands nationally and globally.  
Grades 4-6 Program length: 2 hours.

#### Bison Boot Camp! **NEW!**

March to the command of the Queen of the Herd Bison Sergeant, roam into the world of bison and ruminate about intricate connections to First Nations and the health of our grasslands. Includes bannock making, tea and jerky sampling.  
Grades 6-8 Program length: 3 hours.  
This program takes place at Lake Audy Bison Enclosure which is a 45 min drive from Wasagaming \*
