

Bruce Peninsula
National Park

Fathom Five
National Marine Park

GRADE 'EH' EXPERIENCE

Welcome!

Parks Canada welcomes you to Bruce Peninsula National Park and Fathom Five National Marine Park – perfect places to book your next school trip.

Camping

We offer different campsites for your different needs.

- ✓ **Drive-in** campsites at Cyprus Lake up to 6 people; adjoining campsites available
- ✓ **Group** sites ideal for groups of 12 to 35 people.
- ✓ **Backcountry** camping along the shoreline at Storm-haven and High Dump

Yurts

Pack your sleeping bag, food and cooking tools and enjoy this high-comfort low-fuss camping! Sleeps 4-5, heated by wood-stove, fireplace and BBQ on deck! Shower facilities, modern washroom, wheelchair accessible yurt and group size picnic shelter are all available at the yurt camping area.

For reservations:

Call or email Lenore: 519-596-2233 ext. 240
educamp.bff@pc.gc.ca

Visit our website for more info: www.pc.gc.ca/bruce

Guided Hikes

Guided programs are available for 2.5 to 3 hour exploration excursions. Recommended for grades 7 to 12, these hikes can accommodate up to 60 students.

Escarpment Explorer Hike

You'll jump, crawl and climb along the Niagara escarpment shoreline learning about the unique geology of this area and the incredible plants and animals that eke out a living in these beautiful and harsh conditions.

Full Fathom Five Hike

Book your trip with the private tour boats in Tobermory and your group will travel over shipwrecks and around islands before arriving at Flowerpot Island. Exploration of the island includes stops at the world famous flowerpots and a step back in time with a visit to the historic light keepers house.

Singing Sands Hike

Sandy dunes, limestone alvars, bogs and cedar forests provide a range of habitat that hosts a colourful display of flora and fauna. Wildflowers, birds, carnivorous plants, rare orchids and snakes - truly a Naturalist's paradise.

Medicine Walk

A walk through South Cameron Lake forest with a First Nations perspective on aboriginal uses of plants for food, medicine, utilitarian and ceremonial purposes.

Visitor Centre

The Visitor Centre boasts a 112-seat theatre featuring 15 minute films of both parks in English and French. Explore the exhibit gallery featuring original artefacts and interactive experiences. You can also climb the 20-metre high viewing tower or hike the trails to the Georgian Bay shoreline.

Self Guided Hikes

Do It Yourself

With a visitor map in hand, you can lead your group to the Grotto by following your choice of 3 trails, take your group to discover the rugged cliffs of the Bruce Trail from Halfway Log Dump or hike the Burnt Point Loop from the Visitor Centre. There are some great hiking adventures from easy to challenging that will suit your group's needs.

My Parks Pass Booklet

Three programs designed for Cyprus Lake area trails. Curriculum links to Grade 7 Geography, but it is fun for any group interested in mapping. A guided version of our My Parks Pass booklet is available and will allow your group to explore the area and activities in more depth and benefit from the expertise of a park interpreter.

Geocaching

Five caches along the Burnt Point Trail Loop starting from the Visitors Centre. GPS units available from the park, or use your own Smartphone.
