What is Learn to Camp?

This is an opportunity for new Canadians and urban families to learn how to plan and enjoy safe and successful camping trips while connecting to Canada's treasured wilderness for years to come! Learn to Camp features workshops focusing on camping related skills such as wilderness awareness, tenting and outdoor cooking. Participants will also enjoy inspiring interpretive programs and other Parks Canada activities. Be inspired by exceptional landscapes and natural treasures and remember them for a lifetime. Come spend the night and enjoy the experience of camping!

What's at Signal Hill?

Signal Hill has played a key role in the military and communications history of Canada since the 17th century. Remnants of fortifications which protected St. John's can be found throughout the site. Signaling by flag, cannon, trans-Atlantic cable and wireless telegraphy are all part of this site's fascinating history.

Join this Unique Experience!

You are invited to this once in a lifetime opportunity. We ask that you bring a sleeping bag and pillow and we will provide the rest, including a tent (if you need one), 2 meals and activities for the whole family. The fun begins Saturday morning and finishes after breakfast Sunday. Parking space is available.

Book early! The Signal Hill Learn to Camp is limited to 60 people.

During this special LTC activity, we are unable to accommodate pets and alcoholic beverages are not permitted. More information regarding the event and items to bring will be sent to you following your registration. Participants under 19 years old must be accompanied by an adult.
