At Maligne Lake, you can walk the lakeshore, enjoy a forest trail or hike to the top of an easy peak.

**Maligne Lake Path**
- 2.7 km return, elevation gain: 58 m, 1-1.5 hours
- Trailhead: The parking lot at the end of the Maligne Lake road, starting at the junction of Maligne Lake Rd and the West Arm Rd.
- This trail stays in the woods, but the landscape is fascinating with all the colourful holm oaks that grow on the shore of the lake. About 5 km long, it leads to the golf course.
- **Bald Hills Path**
- 14 km return, elevation gain: 480 m, 4-4.5 hours
- Trailhead: The parking lot at the end of the Maligne Lake road.
- This medium difficulty trail travels along the Old Izaak Trail to reach Bear Pass and then up to Mt. Edith Cavell. There are marvellous views of the mountains and Maligne Lake.

**Sorrel Peak Path**
- 0.3 km, 10-15 minutes
- Trailhead: The parking lot at the end of the Cavell Road.
- This is a popular hike that starts at the end of the Cavell Road and goes up to Sorrel Peak. The hike is a short and easy walk that is perfect for families.

**Icefields Parkway**
For these hikes, travel south from Jasper townsite along Highway 50, the Icefields Parkway. The Icefield Centre is 103 km from Jasper.

**Wilcox Pass**
- 2.4 km return, elevation gain: 410 m, 1-1.5 hours
- Trailhead: To the north of the Icefield Centre, starting at the Wilcox Gate.
- A short and easy hike that goes up to Wilcox Pass. The hike is a great way to see the mountainous landscape and the views of the surrounding mountains.

**Nigel Pass**
- 4.6 km return, elevation gain: 360 m, 2 hours
- Trailhead: To the south of the Icefield Centre.
- A moderate hike that goes up to Nigel Pass. The hike is a great way to see the mountainous landscape and the views of the surrounding mountains.

**Icefield Centre**
- 1.6 km return, elevation gain: 68 m, 30 minutes
- Trailhead: To the north of the Icefield Centre.
- This is a short and easy hike that goes up to the Icefield Centre. The hike is a great way to see the mountainous landscape and the views of the surrounding mountains.

**Source of the Springs**
- 1.2 km return, elevation gain: 75 m, 30 minutes
- Trailhead: To the south of the Icefield Centre.
- This is a short and easy hike that goes up to the Source of the Springs. The hike is a great way to see the mountainous landscape and the views of the surrounding mountains.

**Talbot Pass**
- 4.6 km return, elevation gain: 410 m, 2 hours
- Trailhead: To the north of the Icefield Centre, starting at the Wilcox Gate.
- A moderate hike that goes up to Talbot Pass. The hike is a great way to see the mountainous landscape and the views of the surrounding mountains.

**Plan Ahead and Prepare**
- Remember you are responsible for your own safety.
- Be prepared, but also develop a family and group recipe for the extra exposure that nature offers.

**Safety**
- **Curl 911**
  - Curly 911, a satellite phone, can be used at the park dispatch office (780-852-3105). Cell phone reception is unreliable.
- **Keep wildlife wild, and yourself safer**
  - Travel in groups and seek advice before experiencing unknown wildlife. Always keep a safe distance from wildlife.
  - Keep your distance from wildlife, and always respect the park’s wildlife.
  - **Icefields Parkway**
  - Be careful when crossing snow slopes or when exposed rock surfaces. There is a risk of avalanches. Please be prepared for the extra exposure that nature offers.
  - **Plan Ahead and Prepare**
  - **Safety**
  - **Avnacles**
  - Be careful when crossing snow slopes or when exposed to avalanches.

Jasper’s Easy Trails System

These easy multi-use trails provide opportunities to explore and access areas close to the town of Jasper.

Jasper Discovery Trail
2.4 km loop, elevation gain: 0.3 m; 1-2 hours
Trailhead: North end of Pyramid Lake Road Trailhead: Jasper Activity Centre parking lot
This loop provides access to lakes Annette and Edith via the Maligne Bridge and Highway 16. Use caution when crossing this highway.

Pyramid Trail
5.2 km one way, elevation gain: 116 m; 1-2 hours
Trailhead: Jasper Activity Centre parking lot
This trail provides access to historic Old Fort Point and Jasper Park Lodge. Portions of the trail are adjacent to the beautiful Athabasca River.

Cottonwood Creek Loop
5.1 km return, elevation gain: 48 m; 1-2 hours
Trailhead: Jasper Activity Centre parking lot
This loop offers an exception view and a quiet forest.

Overlook Loop
5.3 km one way, elevation gain: 76 m; 1-2 hours
Trailhead: North end of Pyramid Lake Road
This loop access one of the best views in the area. High above the town, the Pyramid Range and Athabasca Valley welcomes you.

Mina – Riley Lakes Loop
9.8 km loop, elevation gain: 173 m; 3-4 hours
Trailhead: Jasper Activity Centre parking lot
This popular trail takes you to Mina Lakes where you may see Barren’s golden-ducks and bears. Park Upper Mina Lake in the spring and continue through the fall with Riley Lake.

Keep dogs on a leash
All domestic animals must be kept on leash at all times. Pets are not permitted in some areas. Look for notices on trailheads and info centres to find out where these restrictions are.

Your fees at work
Over the next four years, Parks Canada is investing heavily to repair and upgrade aging infrastructure on federal national parks and national historic sites.

Visit the Jasper just construction impact and out of infrastructure projects at gc.ca/openspaceinfrastructure to see any impact to newly built roads that might impact your trip.

Across the River
These trails are on the east side of the Athabasca River.

Lake Annette Loop
4.4 km loop, elevation gain: 70 m; 1.5-2 hours
Trailhead: North end of Highway 16
This accessible multi-use trail offers a paved loop along the shores of Lake Annette. Bicycles and horse animal permitted.

Old Fort Point Loop
4.4 km loop, elevation gain: 70 m; 2-3 hours
Trailhead: Old Fort Point parking lot
This accessible multi-use trail offers a paved loop along the shores of Lake Annette. Bicycles and horse animal permitted.

Maligne Canyon Loop
5.2 km one way, elevation gain: 160 m; 2-3 hours
Trailhead: Fifth Bridge, 6 km east of Jasper on Highway 93, and the Maligne Canyon Trailhead
The Maligne Canyon Trail provides the best views of Jasper’s famous frozen meadows. Waterfalls gush from springs along this easy interpretive signpost-explained in how Maligne Canyon is connected to Jasper’s past history.

Maligne Canyon
15.0 km one way, elevation gain: 480 m; 4-5 hours
Trailhead: Sixth Bridge, 7.7 km east at Jasper via Highway 93 and the Maligne Canyon Trailhead
Once you park’s signature trails, this route passes by an early valley homestead and through prime montane habitat.
